Please contact the laboratory for parameters, pricing, or turn-around times not listed on this sheet.

Also, please contact the laboratory if you are unsure of the volume of water needed for the sample you are providing, as this varies depending on the type of analysis needed.

LABS, Inc will not charge a rush fee if results are ready before the specified turn-around times and no request has been made for rush.

Please note that the turn-around times that are listed on this reference sheet are not guaranteed and are only to be used as guidance. We do our best at LABS, Inc. to provide results sooner than the standard turn-around listed if possible. You may call to check the status of results and we will do our best to inform you as to when they are planned to be ready for reporting. Things do happen that are out of our control sometimes (i.e. sick employees, equipment failure, etc.) and we will always do our best to get you your results and reports as soon as possible.
