Administrative Law

closely regulated industry;	
search (administrative) without warrant allowed.....	4
trucking	4
search (administrative)	
without warrant; when allowed	4
trucking; closely regulated industry; administrative search	
without warrant allowed	4

Agency

hospitals and physicians	
agency principles apply	239
plaintiff's burden to show relationship	239
"ostensible agency"	
defined	239
factors	239
Restatement (Second) of Torts Section 429	239
pleading	
agency relationship must be pled.....	158
principal bound by acts of agent as against a 3rd party	
grounds to find relationship and liability.....	282
tenants by the entireties	
presumption that either spouse may act for both	282
standard to overcome	282

Attorneys

fees (recoverability)	
Assessment Law allows court to apportion costs of	
appeal and hearing.....	26
(generally) not recoverable absent agreement or	
statutory authority	26
exception where party with great resources and little	
favorable law acts in bad faith to protract litigation	
and exhaust opponent's finances	26
interest adverse to former client	
former client's burden	107
when attorney may not represent another against	
former client	107
a common-law bar and predates Code of Professional	
Responsibility and Rules of Professional Conduct	107
interest in land; generally, attorney must have client's written	
authority to settle case involving an interest in land	118
state actor; attorney generally not state actor; exception	226

B

Boundaries--see Real Property

Builders and Contractors

bad faith claim under 42 Pa.C.S.A. Section 8371; subcontractor may not maintain said cause of action against prime contractor's surety	80
defective construction; measure of damages	263
implied warranty of habitability; applies if builder is also seller or vendor of house	263
subcontractor; bad faith claim under 42 Pa.C.S.A. section 8371; subcontractor may not maintain said cause of action against prime contractor's surety	80
surety; bad faith claim under 42 Pa.C.S.A. Section 8371; subcontractor may not maintain said cause of action against prime contractor's surety	80

C

Civil Procedure

agency; relationship must be pled	158
answer; new matter; proper form to plead special matters	105
complaint	
contract; oral contract; requirements	259
damages; complaint must allege some basis for demand	235
guaranty; guaranty contract; requirements to plead	85
oral contract; requirements	259
plaintiff has burden to file complaint supporting the cause of action, even if facts known to defendant	76
procedure where plaintiff does not have necessary information to file complaint	76
contracts	
oral contract; complaint; requirements	259
performance of condition precedent; requirements and form of pleading	291
damages--see also separate topic	
complaint must allege some basis for demand	235
demurrer is not proper means of challenging measure of damages in a complaint.....	263
discovery is regular means to gain detail;	235
however, complaint must allege some basis for demand ...	235
demurrer	
damages; demurrer is not proper means of challenging measure of damages in a complaint	263
effect; does not admit facts that conflict with documents that are part of record	158
preliminary objections (demurrer in nature of)--see below	
standard to sustain	121, 158, 179,181, 291
discovery	
admissibility at trial not required if information sought appears reasonably calculated to lead to discovery of admissible evidence	99

damages; discovery is regular means to gain detail	235
eminent domain--see Eminent Domain	
income tax returns (federal); where subject to discovery	99
malpractice action; loss of household services is an issue of expenses, not income; therefore, returns are irrelevant and not subject to discovery	99
malpractice action; loss of household services is an issue of expenses, not income; therefore, federal tax returns irrelevant and not subject to discovery	99
scope	99
admissibility at trial not required if information sought appears reasonably calculated to lead to discovery of admissible evidence	99
equity	
estate in land; plaintiff not required to plead absence of adequate remedy at law as estate-in-land claim involves automatic right to conveyance	235
forum non conveniens; properly raised by petition, not preliminary objection	291
guaranty contract; pleading; requirements to plead	85
"indispensable party"	
absence goes to court's jurisdiction and court is powerless to grant relief	291
considerations for court	291
JNOV; proponent's burden.....	149
jurisdiction	
indispensable party; absence goes to court's jurisdiction and court is powerless to grant relief	291
service; court lacks jurisdiction absent proper service and is powerless to enter judgment against defendant	71
limitations--see also separate topic	
question of law if complaint is timely filed.....	266
summary judgment; appropriate where cause of action barred by statute of limitations	266
new matter; proper form to plead special matters	105
pleadings	
answer--see above	
complaint--see above	
contracts; oral; complaint; requirements	259
damages; discovery is regular means to gain detail	235
however, complaint must allege some basis for demand ...	235
exhibits; facts conflicting with main body of pleading; court should use facts as reflected in exhibits.....	158
facts conflicting with exhibits; court should use facts as reflected in exhibits	158
guaranties; guaranty contract; requirements to plead	85
new matter--see above	
oral contracts; complaint; requirements	259
purpose	259
requirements.....	259

preliminary objections	
definition	226
demurrer; court will not sustain preliminary objections in nature of demurrer unless law clearly will not permit recovery	121, 179, 181
effect.....	10, 226
forum non conveniens; improper to raise by preliminary objection; raise by petition	291
legal-insufficiency grounds	
effect	226
standard to sustain	226
standard to sustain	10
“real party in interest”; definition	220
Rules of Civil Procedure	
1035.3.....	239
1556; precludes defendant from pleading by counter-claim special matters such as those found in Rule 1570	105
1570--see Rule 1556	
2001; judicially-created definition of “real party in interest”	220
compliance; court has discretion to excuse non-compliance	61
interpretation; rules of construction govern.....	61
service; court lacks jurisdiction absent proper service and is powerless to enter judgment against defendant.....	71
“special matters”; defendant must plead in answer as new matter	105
summary judgment	
adverse party’s burden	239
court’s duty	239
limitations; summary judgment appropriate where cause of action barred by statute of limitations	266
movant’s burden	239
Rule of Civil Procedure 1035.3	239
tax assessment appeals; are statutory and not governed by Rules of Civil Procedure	26
Civil Rights	
42 U.S.C. Section 1983	
attorney generally not state actor; exception	226
constables may be state actors	226
free speech; where protected	181
imposes liability for violations of constitutionally- protected federal rights, not tort violations.....	181
bad-faith violation of state law not necessarily actionable	181
negligent conduct not actionable	181
plaintiff’s burden	226
private individual may act under color of state law	226
“under color of state law”; discussion and definition	226
attorney generally not state actor; exception.....	226

private individual may so act	226
state officer not necessarily required.....	226
“state actor”--see “under color of state law” above	
public employees; free speech; where protected	181
Whistleblower Law--see separate topic	
Conflict of Law	
contacts; court must measure qualitatively, not quantitatively;.....	214
exception	214
law of jurisdiction most intimately concerned with	
outcome applies	214
Constables	
42 U.S.C. Section 1983 action; may be state actors	226
Constitutional Law	
double jeopardy--see Criminal Law	
equal protection	
definition	198
exception	198
legislative classification; where permissible	198
prisoners	
harassment; increased punishment if by prisoner	
does not involve a suspect class or	
violate equal protection.....	198
(not) suspect class; reasoning	198
habeas corpus--see Criminal Law	
impairment of contracts; Driver’s License Compact; foreign	
notices; legislature’s act to excuse technical	
deficiencies; court’s consideration confined to	
whether act repealed Compact de facto or was invalid	52
privacy; PennDOT may disseminate driver’s Social Security	
number for certain purposes	52
retroactivity; Young Drivers Act; consideration of prior points	
does not involve retroactivity.....	1
search and seizure--see Criminal Law	
Contracts	
answer; performance; condition precedent; requirements and	
form of pleading	291
breach; plaintiff’s burden.....	149
complaint	
condition precedent; performance; requirements and	
form of pleading	291
oral contract; requirements	259
consideration	
forbearance; where sufficient and insufficient.....	85
mere promise to pay debt of another insufficient	85
future contract; contract to enter into; where enforceable;	259
where not	259
guaranties--see separate topic	
guaranty contract; subject to same requirements and rules	
of interpretation as other contracts	85

oral contract; complaint; requirements	259
performance; condition precedent; requirements and form of pleading	291
remedies; injury only to product plus consequential damages resulting from loss of use of product; favors contract and not tort remedy	121
sureties--see separate topic	
surety agreement; definition and rights explained.....	80
Corporations	
corporate negligence--see Hospitals and Physicians	
Mechanic's Lien Law	
action under is it not maintaining an "action or proceeding" for purposes of corporation laws	174
stipulation against liens; filing same is not maintaining an "action or proceeding" for purposes of corporation laws	174
non-qualified foreign corporation within meaning of Subchapter B; barred from maintaining an action or proceeding in Pennsylvania until it obtains a certificate of authority	174
Criminal Law	
disorderly conduct	
discussed	136
intent required	
actual words irrelevant; court must consider whether noise was unreasonable and intended to or recklessly created risk of causing public inconvenience, annoyance or alarm	136
Commonwealth's burden.....	136
intent to cause public inconvenience, annoyance or alarm not necessary, only presence of public and sufficient action by defendant.....	136
language required; actual words irrelevant; court must consider whether noise created was unreasonable and intended to or recklessly created risk of causing public inconvenience, annoyance or alarm	136
police officer; shouting profanities and insults at police on public street while carrying out their lawful duties is disorderly conduct.....	136
public disturbance; words or acts must cause or unjustifiably risk public disturbance	136
"unreasonable noise" defined	136
district attorneys; mandamus cannot compel prosecution of case	271
double jeopardy	
defined	115
episode; separate criminal episodes in separate jurisdictions allows prosecutions for each, even if same property is subject of each episode	115

jurisdictions; separate criminal episodes in separate jurisdictions allows prosecutions for each, even if same property is subject of each episode	115
multiple offenses; double jeopardy bars multiple prosecutions for single offense, not multiple offenses.....	115
Pennsylvania and U.S. constitutional provision are co-extensive	115
property; same property can be subject of multiple prosecutions if separate criminal episodes in separate jurisdictions concern it	115
driving under the influence	
trafficway; parking lots and driveways	15
equal protection; harassment; increased punishment if by prisoner does not involve suspect class	198
escape	
house arrest is not "detention for other law enforcement purposes"	128
intermediate punishment; house arrest is not "detention for other law enforcement purposes"	128
probation	
failure to report to jail from probation is not escape, but may allow revocation and re-sentencing	232
is not official detention from which a defendant can "return"	226
general vs. specific provision of penal code; prosecution under general provision, where specific one exists, is usually prohibited;	204
analysis for court	204
exception	204
prosecution for both allowed	204
statute's wording controls	204
habeas corpus; pre-trial motion	
circumstantial evidence allowed	161
prima facie case	161
proof beyond reasonable doubt not required to deny motion	161
purpose	161
house arrest--see intermediate punishment below	
intentional act; defined.....	136
intermediate punishment	
house arrest	
house arrest as intermediate sentence is not in "detention for other law enforcement purposes" as related to crime of escape	128
house arrest with electronic monitoring is not custody, imprisonment, or partial confinement for sentencing purposes	128
mandamus	
criminal case; mandamus cannot compel prosecution of criminal case	271

discretionary or judgmental act; mandamus cannot act of same.....	271
district attorney; cannot compel district attorney to prosecute case	271
multiplicity; multiple punishment for single criminal episode with multiple victims; wording of statute controls	204
possession; constructive possession area usually accessible only to defendant and containing contraband	161
joint control and equal access by another	161
where inference allowed	161
punishment; multiple punishment for single criminal episode with multiple victims; wording of statute controls	204
preliminary hearing--see Criminal Procedure	
reckless act; defined.....	136
search and seizure	
administrative search without warrant.....	4
privacy expectation varies	
closely-regulated business; warrantless administrative search	4
factors and analysis used.....	4
probable cause	
lesser standard; when allowed.....	4
roadblocks (systematic) (when) acceptable	4
Talbert case; substantial compliance sufficient	4
vehicle stop; threshold	4
warrantless search (administrative)	4
sentencing; house arrest with electronic monitoring is not custody, imprisonment, or partial confinement for sentencing purposes	128
statutory interpretation; penal statutes strictly construed; however, court does not have to apply narrowest meaning.....	128, 232
Criminal Procedure	
preliminary hearing	
Commonwealth's burden	15
continuanace or delay	
continuanace allowed for cause shown; insufficient cause; examples	89
sufficient cause defined.....	89
continued hearing must be held as speedily as practical	89
discharge or release on bail of defendant	
delay does not require automatic discharge of defendant;	89
however, if hearing not timely held and no good cause shown for additional time, defendant is entitled to release from custody until hearing	89

re-scheduling more than 30 days in advance allows release of defendant on unsecured bail unless defendant agrees or requested extension ..	89
evidence; circumstantial evidence acceptable ..	15
purpose.....	89

D

Damages--see also Civil Procedure

42 Pa.C.S.A. Section 8127 allows wage attachment for damages in the popular, not legal, sense ..	103
complaint	
measure of damages; demurrer is not proper means to challenge ..	263
must allege some basis for demand ..	235
defective construction; homeowner as plaintiff; measure ..	263
delay damages	
faulty repair case; not applicable where property was arguably damaged ..	149
purpose ..	149
Rule 238 motion	
not preserved on appeal unless timely filed ..	61
(likened to) prejudgment interest in respect to encouraging settlement of meritorious claims as soon as reasonably possible ..	61
demurrer is not proper means to challenge measure of damages in a complaint ..	263
discovery is regular means to gain detail; however, complaint must allege some basis for demand ..	235
exemplary damages; award is discretionary with court ..	149
loss of household services; is an issue of expenses, not decedent's income; therefore, federal tax return is irrelevant and not subject to discovery ..	99
measure; demurrer is not proper means to challenge measure of damages in a complaint ..	263
municipalities	
damages recoverable against limited to amount exceeding insurance benefits unless life insurance involved ..	10
punitive damages not recoverable against ..	10
punitive damages	
municipalities; not recoverable against ..	10
purpose ..	149
real property; improvements; unjust enrichment; measure ..	282
Rule 238 motion	
not preserved on appeal unless timely filed ..	61
(likened to) prejudgment interest in respect to encouraging settlement of meritorious claims as soon as reasonably possible ..	61
services (value of); agreement by party to fair and reasonable value of services, where entitled to them, removes issue of valuation ..	149

unjust enrichment	
improvements to real property; measure	282
plaintiff must prove damages	282
wage attachment; 42 Pa.C.S.A. Section 8127 allows wage	
attachment for damages in the popular, not legal, sense	103
Whistleblower Law; punitive damages not available	181

Debtor-Creditor--see also Guaranties

guaranty after statute of limitations would otherwise bar;	
acknowledgement must be clear, unequivocal, and	
unconditional	85
lien upon two funds, both of which are subject to junior liens;	
creditor not obliged to resort to one rather than other	
to satisfy debt.....	273
marshaling	
creditor may expect in certain circumstances that	
marshaling of assets will occur	273
explained	273
requirements.....	273
revival of debt where otherwise barred by statute of	
limitations; acknowledgement and promise must be clear,	
unequivocal, and unconditional	85

District Attorneys--see Criminal Law

Driver's Licenses

Driver's License Compact	
contradiction; where member state may directly	
contradict Compact	52
impairment of contracts--see Constitutional Law,	
impairment of contracts	
modification; extent of member state's freedom to	
legislate matters Compact covers	52
notice; legislature's act to excuse technical	
deficiencies; court's consideration confined to	
whether act repealed Compact de facto or was	
invalid	52
privacy; PennDOT may disseminate driver's Social Security	
number for certain purposes	52
Young Drivers Act; consideration of prior points does not	
involve retroactivity	1

E

Easements

implied	
creation; arises only upon separation of ownership	
of parcels	107
purchaser takes property subject to the burden or benefit of	
servitude or easement created by seller; irrelevant	
whether easement is a necessary right of way	107
test; traditional and Restatement of Property's used	107
Restatement of Property Section 476 test;	
elements	107

Adams County courts also give much weight to necessity of easement.....	107
prescriptive	
defined	220
mortgagee may pursue claim for prescriptive easement	220
Eminent Domain	
discovery	
follows same rules as civil actions	144
objections filed after 30-day limit and absent opponent's consent to delay; discarding such objections requires only answering discovery request; respondent may still object to relativity or admissibility of discovery information at trial.....	144
witnesses (expert); 10-day notice of identity required; purpose	144
Employer-Employee--see also Whistleblower Law	
at-will employment; is doctrine in Pennsylvania	181
exception for discharge in violation of public policy	181
public employees--see separate topic	
Whistleblower Law--see separate topic	
wrongful discharge; no common-law claim for wrongful discharge in violation of public policy where specific statutory remedy available	181
Equity	
absence of adequate remedy at law; conveyance of estate in land; plaintiff not required to so plead as claim involves automatic right to conveyance	235
estate in land; conveyance; plaintiff not required to plead absence of adequate remedy at law as claim involves automatic right to conveyance	235
pleading; absence of adequate remedy at law; conveyance of estate in land; plaintiff not required to so plead as claim involves automatic right to conveyance.....	235
purpose; equity allows a decision in accord with common principles of justice even if opposed to what logic would commend.....	61
real property	
contracts to convey estates in real property are specifically enforceable.....	235
improvements; unjust enrichment; measure of damages.....	282
subrogation	
explained	10
governmental immunity; no exceptions for suits brought by insurance carriers as subrogees of persons injured under circumstances falling within the exceptions to governmental immunity	10
insurance companies--see under Insurance and Insurance Companies	
unjust enrichment	
improvements to real property; measure of damages	282
plaintiff must prove damages.....	282

Evidence	
government map is an unimpeachable source	10

F

Family Law	
custody	
in loco parentis; standing	
23 Pa.C.S.A. Section 5313(b) requires 12	
consecutive months	18
3rd party's burden vs. natural parent.....	18
natural parent's presence in household is not an	
automatic bar to claim by 3rd party	18
3rd party's claim	
burden vs. natural parent	18
standing; presence of natural parent in	
household no automatic bar	18
"in loco parentis" defined	18

Fraud

real estate transaction	
fraud defined	149
repairs; seller's duty and extent of duty to disclose	
attempts to repair septic system without permits	149

G

Guaranties

consideration required	
forebearance may be sufficient; where sufficient and	
where not	85
mere promise to pay another's existing	
debt insufficient	85
contracts; guaranty contracts subject to same rules of	
interpretation as other contracts.....	85
formation; not binding until accepted and acceptance	
communicated to guarantor	85
limitations; guaranty after statute of limitations would	
otherwise bar; acknowledgement must be clear,	
unequivocal, and unconditional	85
pleading; requirements to plead.....	85

H

Hospitals and Physicians

agency principles apply	239
plaintiff's burden to show relationship	239
corporate negligence	
action created from policies, actions or inactions of	
institution itself, not specific acts of	
employees	239
breach of corporate duty is issue, not whether agent	
or employee erred	239
conduct; standard	239
duty to uphold standard of care runs directly from	
hospital to patient	239

plaintiff need not rely on negligence of third party	239
elements	239
requires more than negligent act by person for whom hospital is responsible	239
explained	239
plaintiff's burden	239
standard of conduct	239
strict liability compared; is not strict liability and is not triggered by every harm to patient in a hospital setting	239
witnesses; expert testimony required on deviation from accepted standard of care and that deviation was a substantial factor in causing plaintiff's injury.....	239
exception	239

I

Insurance and Insurance Companies

bad faith claim	
42 Pa.C.S.A. Section 8371 applies to insurance	
policies only	80
contractor; subcontractor may not maintain said action against prime contractor's surety	80
surety; cause of action not allowed against surety	80
governmental immunity; municipalities	
recovery limited to amount exceeding insurance benefits unless life insurance is involved	10
subrogation; no exceptions for suits brought by insurance carriers as subrogees of persons injured under circumstances falling within the exceptions to governmental immunity	10
municipalities; governmental immunity; recovery limited to amount exceeding insurance benefits unless life insurance is involved	10
subrogation	
(when) barred; court may bar because of provider's failure to participate in suit, even though the compensation carrier had the right to pursue or settle the claim against a third-party tortfeasor independently of claims for pain and suffering	214
governmental immunity; no exceptions for suits brought by insurance carriers as subrogees of persons injured under circumstances falling within the exceptions to governmental immunity	10
surety	
bad faith claim not allowed	80
insurance; surety is generally not considered insurance	80

J

Judgments

interest	
post-verdict interest; retention by plaintiff of cashier's check allows claim for interest only on unpaid portion of verdict	61

pre-judgment interest; trial court may mold verdict to include it if jury not instructed on it	61
pre-verdict interest	
claimant entitled if claim not barred by omissions at trial	61
contract action; right to same for money owing on a contract is a legal right	61
petition to strike	
effect of successful petition; order striking a judgment annuls the original judgment and parties left as if no judgment entered	71
standard; court may only look at record when judgment entered to determine if defects present	71
Juries	
sequestration	
discretionary with court	198
purpose	198
request; requirements	198
L	
Landlord-Tenant	
42 Pa.C.S.A. Section 8127 allows wage attachments for damages in the popular, not legal, sense	103
