## *Community Vaccination Center Closing*

We have received notification from WellSpan that the Adams County Community Vaccination Center at the Department of Emergency Services will be ceasing operations on July 1 due to the decrease in demand. Vaccinations will still be available at other WellSpan locations and at other vaccination participants.

The Board would again like to applaud the collaboration between Adams County and WellSpan to make the Adams County CVC both timely, efficient, and convenient. We heard nothing but positive comments regarding the venue and service provided. Special recognition goes out to DES Director Warren Bladen, Adams County Manager Steve Nevada, Solicitor Molly Mudd, the Adams

County Security Department,  
the Adams County Sheriff's Office, and  
Building/Maintenance for their key roles in facilitating  
and managing this critical community facility.

Thank you to WellSpan for your partnership that greatly benefited many residents of Adams County! If you haven't been vaccinated - please consider getting vaccinated! For vaccination information contact WellSpan at [www.mywellspan.org](http://www.mywellspan.org) or by calling The WellSpan COVID Hotline at 855-851-3641.

## **Amended Policy for Entering County Facilities**

Following CDC protocol, applicable to both staff and public, persons that have been vaccinated are not required to wear a mask. Persons that have not been vaccinated are still required to wear a mask. Temperature checks for public and staff have ceased. Signage indicates this policy to visitors entering the building.

Appointments are no longer required to visit county offices - with the exceptions being the District Attorney and the Sheriff's Office. Public viewing of court proceedings is still limited to virtual viewing at the Human Services Building by contacting the Court Administrator at 717-337-9846 at least 24 hours prior to the hearing.

## **Primary Election Re-cap**

The May 18th Primary Election is in the books and we are happy to report the process in Adams County was generally seamless. The total voter turnout was 28.68% from a registered voter pool of 70,268. Absentee/Mail-in ballots applied for and mailed out was 6,371 and the total returned was 5,049. Unlike the much larger Presidential General Election, the Elections office, supplemented by other county staff, was able to process all ballots on election day. A shout out to our Elections Staff for the extra effort put in to assure the election went smoothly.

Anyone wishing to serve our community and run for a Judge of Elections, or sign up as a poll worker, are urged to contact the Adams County Voter Registration & Elections office at 717-337-9832.

## The End

There is nothing that symbolizes the beginning of summer like The Annual Gettysburg Memorial Day Parade and Hollabaugh’s Strawberry Festival Weekend. Even though there was no band participation this year, it was great to see the parade march by to the National Cemetery and the large crowd that lined the streets to watch. Fresh, tasty, Adams County Strawberries are back. This Saturday & Sunday enjoy everything strawberry at Hollabaugh’s Annual Strawberry Festival from 12-4:30. Also, a reminder that the Gettysburg 100 Night Of Taps began on Memorial Day. To kick off the summer Taps will be sounded every evening at 7PM at the Soldiers National Monument in the Gettysburg National Cemetery to honor our nation’s veterans.

The Gettysburg Retail Merchants Association presents *First Friday* today. Shops and restaurants provide many promotions and specials on First Friday.
