### TO DEFENDANT:

If you choose to plead guilty or nolo contendere, this Guilty Plea Colloquy should be completed by you. By pleading guilty, you are agreeing and admitting that you committed each of the elements of the crimes. By pleading nolo contendere, you are stating that you do not contest the fact that the Commonwealth can prove you committed the crimes. You should read this document carefully and review it with your lawyer. It is *IMPORTANT* that you understand, agree with and answer truthfully everything contained in this Guilty Plea Colloquy. If you understand and agree with what is said in a paragraph of this document, place your initials on the line provided. If you do not understand or agree with what is said in a paragraph, *DO NOT* place your initials on the line provided, and you should tell the judge what you do not agree with or understand.

### TO THE DEFENDANT'S LAWYER:

You must explain the content and meaning of this Guilty Plea Colloquy Statement to the defendant. If, after your explanation, the defendant does not understand or agree with something, he/she should not initial that paragraph and you must inform the judge of this fact. If the defendant does not speak, understand, read or write the English language or suffers from some physical, emotional or mental problem or is under the influence of any substance which affects his/her ability to understand the content of this Guilty Plea Colloquy Statement, the defendant should not complete the Guilty Plea Colloquy Statement and the judge should be advised of this fact.

\_\_\_\_\_ 2. I understand, and my lawyer has explained to me, that the total maximum sentence which I could receive for all of these crimes is \_\_\_\_\_ in jail and a \$ \_\_\_\_\_ fine.

**Right to Trial**

\_\_\_\_\_ 3. I understand, and my lawyer has explained to me, that if I plead not guilty, I have a right to have a trial by jury or I may ask that my trial be before a judge without a jury. I understand, and my lawyer has explained to me, that if:

- a. I am tried before a jury that the jury would consist of twelve (12) people who live in Adams County; that I have a right to take part in selecting the jurors who would hear my case; that the jurors would decide my guilt or innocence based upon the evidence presented to them; that I can exercise challenges to prevent any person from being a juror in my case if I can show that they would not be a fair juror; that the Commonwealth may not remove a juror just because of their gender, race or nationality; that I can prevent a limited number of people from being jurors in my case without giving any reason at all; and

that I cannot be found guilty of the crimes charged unless all twelve (12) jurors agree that the Commonwealth has proven that I have committed each element of these crimes beyond a reasonable doubt; or

- b. If I am tried before a judge alone without a jury that the judge would hear the facts and make a determination as to my guilt or innocence. I understand that before I could be found guilty, the judge must be convinced of my guilt beyond a reasonable doubt as to each and every element of the crimes charged.

\_\_\_\_\_ 4. I understand, and my lawyer has explained to me, that if I plead not guilty and have either a jury or a non-jury trial that:

---I am presumed innocent of these crimes and that the Commonwealth has the burden of proving that I committed each of the elements of the crimes charged beyond a reasonable doubt. If the Commonwealth fails to do so, I cannot be found guilty of these crimes. A reasonable doubt is a doubt that would cause a reasonably careful and sensible person to hesitate before they act upon something that is important in their lives or affairs.

---that the Commonwealth must present witnesses who must testify under oath and that I or my lawyer can cross-examine or ask questions of each of these witnesses.

---that I do not have to testify or present any evidence and no one can force me to do so. If I choose not to testify or present any evidence, that cannot be used or held against me. However, if I want to testify and present evidence and witnesses, I may do so.

---I have the right to call witnesses and present evidence including, but not limited to, evidence that I didn't commit the crime charged; that I have an alibi; that there is a mistaken identity; that an insanity defense exists; that my acts were justified or there is other lawful excuse for my acts.

#### **Motions Before Trial**

\_\_\_\_\_ 5. I understand, and my lawyer has explained to me, that before I enter a plea of guilty, or before my trial begins:

---I can file motions to ensure that I get a fair trial. These motions may include, but are not limited to, a motion to prevent the Commonwealth from presenting improperly obtained evidence at my trial including any statements that I may have made, test results, identifications and items taken from me or from some place or thing. If I file such a motion, the Commonwealth has the burden of proving that this evidence can be presented at my trial.

---I can file a motion to have the crimes charged dismissed if my trial was not started within three hundred sixty-five (365) days after the date that the criminal complaint was filed against me, not counting any delays caused by me or my lawyer and, if the judge grants my motion, the Commonwealth cannot charge me with those crimes again.

---If I was under the age of 18 when the crimes charged were committed and I have been charged as an adult, I can file a motion requesting that my case be transferred from criminal proceedings to juvenile proceedings.

\_\_\_\_\_ 6. I understand, and my lawyer has explained to me, that by pleading guilty, I am giving up my right to file any of these pre-trial motions. If I did file any motions that have not yet been decided, by pleading guilty or nolo contendere, I am now giving up the right to have the Court rule on them. If the Court granted any motions filed by the Commonwealth or denied any motions filed by me, by pleading guilty or nolo contendere, I am giving up or losing my right to appeal the judge's decision to a higher court and I can never again raise any of the issues stated in these motions before any court.

### Effect of Plea

- \_\_\_\_\_ 7. I understand, and my lawyer has explained to me, that if I plead guilty or nolo contendere to any of these charges:
- If I am pleading guilty, I understand that I am agreeing and admitting that I committed each element of these crimes. If I am pleading nolo contendere, I am not contesting that I committed each element of these crimes and I agree that the Commonwealth can prove that I committed each element of these crimes beyond a reasonable doubt. My pleas of guilty or nolo contendere will have the same effect as if I had a trial and was convicted of the crimes to which I have pled guilty or nolo contendere.
- If I was on probation, intermediate punishment, or parole at the time the crimes to which I am pleading guilty or nolo contendere were committed, my pleas in this case mean that I have violated probation/intermediate punishment/parole. I understand that if I have violated my probation or intermediate punishment that I can be re-sentenced to jail and if I violate my parole, I may be re-committed to jail to serve the remainder of my sentence(s) without credit for time on parole. I further understand any sentences that I am required to serve as a result of a probation, intermediate punishment or parole violation may be in addition to any sentence which I may receive as a result of this plea.
- \_\_\_\_\_ 8. I understand, and my lawyer has explained to me, that the judge is not bound to accept the terms of any plea agreement that I have with the Commonwealth or with anyone else and that the plea agreement is not binding on the Court unless and until it is accepted by the Court. If the judge decides not to accept the plea agreement, I understand that I will be allowed to withdraw or take back my plea of guilty or nolo contendere. I further understand that at any time prior to my sentencing, I may ask the Court for permission to withdraw my plea of guilty or nolo contendere but I must show a fair and just reason for doing so.
- \_\_\_\_\_ 9. \_\_\_\_\_ I am \_\_\_\_\_ I am not a citizen of the United States of America.
- \_\_\_\_\_ 10. I understand that if I am not a citizen of the United States of America, my guilty or nolo contendere plea and/or sentencing may affect my immigration status and could result in possible deportation by the Federal Government.

### Representation by Counsel

- \_\_\_\_\_ 11. I have fully discussed this case with my lawyer including the facts and possible defenses I may have to these charges including, but not limited to: that I didn't commit the crimes charged; that I have been misidentified; that I have an alibi (I was someplace else when the crime was committed); that I was justified in committing the act (self-defense, defense of property or others) or that I had a mental disease or defect which made me incapable of knowing what I was doing or, if I did know, I was not capable of judging that the act was wrong (insanity).
- \_\_\_\_\_ 12. I understand, and my lawyer has explained to me, all the possible defenses I may have to these charges. I am fully satisfied that my lawyer has not failed to do anything which I have asked him to do nor has done anything of which I didn't approve. I agree that my lawyer has contacted, or attempted to contact, every witness or source of evidence of which I have advised him and that if contact was unsuccessful, I am satisfied that my lawyer has exhausted all possible leads to locate the witness or evidence.
- \_\_\_\_\_ 13. I am fully satisfied that my lawyer is ready and able to defend me in this case if I do not plead guilty or nolo contendere to these charges.

I have not been pressured, forced or threatened by anyone to plead guilty or nolo contendere to these charges and I have not been promised anything by anyone in return for pleading guilty or nolo contendere other than the plea agreement, if any, which has been presented to the judge in writing as part of this proceeding.

- \_\_\_ 3. If I file a post-sentence motion, this Court must decide it within one hundred twenty (120) days of the date that it is filed, unless this Court extends the deadline for up to thirty (30) additional days at my request for good cause.
