REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditor's Report

County Commissioners
County of Adams
Gettysburg, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of COUNTY OF ADAMS, PENNSYLVANIA, as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise COUNTY OF ADAMS, PENNSYLVANIA's basic financial statements, and have issued our report thereon dated June 27, 2019. Our report includes a reference to other auditors who audited the financial statements of the Adams County Industrial Development Authority and the Adams County Conservation District, as described in our report on COUNTY OF ADAMS, PENNSYLVANIA's financial statements. The financial statements of the Adams County Industrial Development Authority were not audited in accordance with *Government Auditing Standards*. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered COUNTY OF ADAMS, PENNSYLVANIA's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of COUNTY OF ADAMS, PENNSYLVANIA's internal control. Accordingly, we do not express an opinion on the effectiveness of COUNTY OF ADAMS, PENNSYLVANIA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether COUNTY OF ADAMS, PENNSYLVANIA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

AND ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE
UNIFORM GUIDANCE

Independent Auditor's Report

County Commissioners
County of Adams

Report on Compliance for Each Major Federal and Pennsylvania Department of Human Services Program

We have audited COUNTY OF ADAMS, PENNSYLVANIA's compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget ("OMB") Compliance Supplement* and the Pennsylvania Department of Human Services ("DHS") *Single Audit Supplement* that could have a direct and material effect on each of COUNTY OF ADAMS, PENNSYLVANIA's major federal and DHS programs for the year ended December 31, 2018. COUNTY OF ADAMS, PENNSYLVANIA's major federal and DHS programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal and DHS awards applicable to its federal and DHS programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of COUNTY OF ADAMS, PENNSYLVANIA's major federal and DHS programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations ("CFR") Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the Pennsylvania Department of Human Services *Single Audit Supplement*. Those standards, Uniform Guidance, and the Pennsylvania Department of Human Services *Single Audit Supplement* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal and DHS program occurred. An audit includes examining, on a test basis, evidence about COUNTY OF ADAMS, PENNSYLVANIA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our qualified and unmodified opinions on compliance for each major federal and DHS program. However, our audit does not provide a legal determination of COUNTY OF ADAMS, PENNSYLVANIA's compliance.

Report on Internal Control Over Compliance

Management of COUNTY OF ADAMS, PENNSYLVANIA, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered COUNTY OF ADAMS, PENNSYLVANIA's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and DHS program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and DHS program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over

compliance. Accordingly, we do not express an opinion on the effectiveness of COUNTY OF ADAMS, PENNSYLVANIA's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or DHS program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or DHS program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or DHS program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We identified a certain deficiency in internal control over compliance, described in the accompanying schedule of findings and questioned costs as Finding 2018-001 that we consider to be a material weakness.

COUNTY OF ADAMS, PENNSYLVANIA's response to the internal control over compliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. COUNTY OF ADAMS, PENNSYLVANIA's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the Pennsylvania Department of Human Services *Single Audit Supplement*. Accordingly, this report is not suitable for any other purpose.

We issued our report thereon dated June 27, 2019, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the COUNTY OF ADAMS, PENNSYLVANIA's basic financial statements. COUNTY OF ADAMS, PENNSYLVANIA
 NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

NOTE 1: REPORTING ENTITY

The County of Adams, Pennsylvania (the "County") as the reporting entity for financial reporting purposes is defined in Note 1 to the County's financial statements. - Adams County Industrial Development Authority
- Adams County Conservation District

Direct awards pertaining to these entities have been excluded from the accompanying schedules principally because the County is not directly involved in maintaining the accounting records or systems of internal accounting and administrative controls for these entities. Where applicable, these entities have arranged for the issuance of separate Single Audit Reports containing their audited financial statements and schedule of expenditures of federal awards and all required audit reports.

Except as indicated above, the accompanying Schedule of Expenditures of Federal Awards present the activity of all federal award programs of the County.

NOTE 2: BASIS OF ACCOUNTING

The accompanying schedule of expenditures of federal awards is presented using the modified accrual basis of accounting, which is described in Note 1 to the County's financial statements. The County did not use the 10% de minimis indirect cost rate.

The following low risk Type A Program was audited as major for coverage:

93.563	Child Support Enforcement

The following high risk Type B Program was audited as major:

<u>CFDA</u>	<u>Program</u>

COUNTY OF ADAMS, PENNSYLVANIA
 SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
 FOR THE YEAR ENDED DECEMBER 31, 2018

Section III – Federal and Pennsylvania Department of Human Services Awards’ Findings and Questioned Costs

Finding 2018-001 Pennsylvania Department of Human Services – Children Youth and Families – Child Protective Services Law Monitoring

Criteria: The Child Protective Services Law (CPSL) requires the conduct of criminal background checks and child abuse history clearances (certifications) for all employees and direct volunteers of the county children and youth agency (CCYA) as well as the employees and volunteers of the CCYA’s contracted service providers. The CCYA must monitor provider adherence to the CPSL background check requirements to assure the safety of children receiving prevention, reunification and aftercare services (services coded as in-home).

Condition: During the audit, it was determined that the County did not monitor its in-home providers for the CPSL background check requirements.

Cause: The County does not have adequate controls in place to ensure proper monitoring of the CPSL background check requirements for its in-home providers.

Effect: The County is not in compliance with Pennsylvania Department of Human Services Single Audit Supplement CPSL requirements. In addition, internal controls over monitoring CPSL background check requirements for its in-home providers were not properly implemented.

Questioned Costs: The amount of questioned costs, if any, is undeterminable

Recommendation: We recommend that the County develop and adhere to an internal control process for monitoring its in-home providers for the CPSL background check requirements.

Views of
Responsible Officials: The Children and Youth Program will develop and implement an internal control process for monitoring its in-home providers for the CPSL background check requirements and adhere to the process.
