

## WHAT IS THE EMERGENCY RIDE HOME PROGRAM:

Our Emergency Ride Home (ERH) program is a free reimbursement for a ride home from work or school in the event of a qualified emergency. The ERH program is for commuters using a green mode to travel to work or school.

An Emergency Ride Home is available to those who:

- ✓ Are enrolled in Commute PA prior to the emergency situation
- ✓ Have a completed profile with home and work locations
- ✓ Are recording at least two green trips per week

In the event of a qualified emergency, you find and pay for your ride home from work or school. Once the trip is complete, redeem and complete the ERH form found in the app or online. Please see the website for more details and FAQ's at [www.commutepa.org/erh](http://www.commutepa.org/erh).
